Q1. After careful study of a number of campus locations, the advisory committee proposes two possible campus venues for Spring Commencement 2008 for your consideration. Information about each option, including number of guest tickets, photographs and diagrams of the sites, sightlines, and more is available if you click the link next to each choice.

Both venues are located on the University of Michigan campus, enable students from all schools and colleges to participate in the same live ceremony and provide a route for a processional. Safety and accessibility issues are manageable. Parking options and busing to the ceremony are available. Each site has a number of benefits and challenges associated with it, and you can review this information by clicking the links below.

Students with disabilities can contact the Office of Services for Students with Disabilities (734) 763-3000 and get help taking the survey or go to the Dean of Students' Office (3000 Michigan Union) for a paper copy of the survey.

Questions can be addressed to [commencement.advisory@umich.edu](mailto:commencement.advisory@umich.edu).

Thank you.

Please indicate which option you prefer:

	Count	Percent	
<input type="checkbox"/>	1001	33.34%	
			<b>Option 1 Elbel Field</b> (allows each student 8 guest tickets) For more information, click <a href="#">here</a>
<input type="checkbox"/>	2001	66.66%	
			<b>Option 2 The Diag</b> (allows each student 6 guest tickets) For more information, click <a href="#">here</a>
